The Honorable Bob Filner
U.S. Representative, 50th District
333 F Street, Suite A
Chula Vista, CA 91910

Dear Congressman Filner:

The CALFED Bay-Delta Program is hosting a public meeting on Thursday, January 28 in San Diego. The CALFED Program managers will provide area residents with a briefing on the recently released Revised Phase II Report, which includes a discussion on the draft preferred alternative – CALFED's plan to improve water management and restore ecological health to the Bay-Delta system. Community members will have an opportunity to ask CALFED staff questions about the Program.

I encourage you and your constituents to attend this meeting and raise issues or concerns or ask questions about the CALFED Program. If you are unable to attend, I would be happy to arrange a briefing for you or provide you with additional written information.

If you have any questions, please call our legislative coordinator, Dan McCarroll, at 916-653-5704.

Sincerely,

Lester A. Snow
Executive Director

Encl.
